Crochet Project Brief

Learning Objectives
- Learn crochet terms and abbreviations
- Practice stitch techniques
- Learn to recognize and correct mistakes
- Understand proper crochet care
- Learn about crochet yarn and crochet item design

Critical Thinking
- Describe your crochet techniques
- Is your item suitable for its intended purposes? Why?
- How do you care for your item?
- Describe your use of color yarn and how it contributes to the finished item
- Name different kinds of crochet needles and explain their purposes

Fair Projects
- Display a crochet project
- Exhibit a crochet pattern
- Display a scrapbook of crochet items
- Educational display of different types of yarn and their use

Community Service
- Create gifts for neighbors or others in need
- Volunteer to make afghans for the elderly
- Make and donate crochet items (scarves, purse, hat, etc.) to holiday gift giving programs for those in need
- Lead others in a crochet project
- Volunteer at a yarn store

Demonstration Ideas
- Crochet techniques
- Tools and yarn for different kinds of crocheting
- How to wash crochet items
- Measuring for crochet clothing size
- How to use a pattern
- Threading different needles and hooks
- How to use special tools

Science & Technology
How have you used science and technology in this project area?
Examples:
- Measurement and construction of the project
- Explain what happens to yarn clothing items if they are not hand-washed
- Examine weight and fiber content of different yarns
- Use of different tools for crochet projects
- Analyze crochet work and correct mistakes

Field Trips
- Yarn store
- Clothing store
- Vintage store
- Visit a sheep farm to see origin of some yarn fibers

Ideas for Speech Topics
- Yarn varieties
- Crochet styles
- History of crochet
- How crochet items are made
- Entrepreneurship through crochet
Show Me Character
Trustworthiness - includes honesty, promise keeping and loyalty.
• Always take credit for the projects you've completed
• Be honest with friends, project leaders and judges
• Be on time to activities so everyone can start on time
• Pay for materials and supplies you order

Respect - includes courtesy and proper treatment of people and things.
• Treat everyone's projects the way you want them to treat your project
• Show appreciation to those who help you complete your projects
• Be careful when working around other's fragile items
• Judge others only on the merit of their project, not on your opinions of what they have made

Responsibility - includes the pursuit of excellence, accountability and perseverance.
• Clean up your workspaces; don't leave work for others to do
• Be a good representative of yourself and your 4-H club when working in craft shops or stores
• Pay your project leader on time if they order materials for you

Fairness - involves consistently applying rules and standards appropriately for different age groups and ability levels.
• Share your materials with other 4-Hers
• Only spend the amount of money that you've agreed to spend on your projects
• Always make sure you sign up for the right skill level for your projects

Caring - promoting the well being of people and things in a young person's world. It denotes action and not just feelings.
• Show others you care by quilting, crocheting, knitting, sewing or crafting something for someone special
• Use your craft for good, find a place to donate what you've made
• Help friends when they need an extra hand

Citizenship - includes making the home community and county a better place to live for themselves and others.
• Always complete your projects to the best of your abilities and according to the project specifications
• Share project materials and instructions with your peers
• Teach others what you know
• Take the initiative to learn something extra about what you're making

Show Me Standards
Missouri 4-H members will acquire the knowledge and skills to gather, analyze and apply information and ideas, communicate effectively, recognize and solve problems, make decisions and act as responsible members of society.

4-H members will acquire a solid foundation which includes knowledge of:
• Fine Arts - Process and techniques for the production, exhibition or performance of one or more of the visual or performed arts
• Mathematics - addition, subtraction, multiplication and division.
• Social Studies - economic concepts and principles.

Resources
321 Crochet
Y620  4-H Project Record
Y3210  I Can Crochet
Y3211  Crochet Made Easy (youth and leaders use the same book)
