**Kansas City 4-H Glob Conference Delegate Pledge**

As a condition of participation in the Kansas City 4-H Global Conference, I agree to the terms of my state 4-H Code of Conduct. I understand that this agreement is to insure conduct and behavior that will result in every 4-H delegate receiving the full benefit of enjoyment and educational experience from this event and is not intended to place undue restriction upon any individual. I understand that a violation of the 4-H Code of Conduct ban on alcohol and illegal drugs may result in the search of my room and/or personal property.

I also understand that it is my responsibility to fully participate, learn, ask questions and behave in a respectful manner at all of the workshops, tours and/or service learning activities for which I am registered. This is expected, regardless of whether or not I receive my top choice. I realize the presenters, businesses, and sponsors are volunteers who are donating their time and expertise to help us learn more about work force preparation. I will show courtesy and appreciate them during the program and afterwards with a written thank you note.
